

반응의 메커니즘

생각해볼 거리들:

- 메커니즘을 나타내는 방법은 누가 처음 제시했을까? 그 방법은 정당한가?
- 메커니즘을 밝히는 방법은?
- 아니, 애초에 메커니즘을 밝힌다는게 가능한가?
- 우리가 아는 메커니즘들엔 뭐가 있나?
